

UIUC Ikenberry Commons Residence Hall West

4240 Architecture has been selected as the architect for the Ikenberry Commons Residence Hall West which will be a LEED Silver, 99,000 sf. building, providing for more than 300 new beds. It will address students' preferences for double occupancy, semi-private bathrooms, and air conditioned living environments. Support spaces, including common lobbies and meeting rooms, will also be provided. This new residence hall will also complete UIUC's final phase of facilities designed to integrate students with severe physical disabilities.

Garner Hall is scheduled for demolition at the completion of Residence Hall West.

The project is scheduled to begin in March of 2009.

location: University of Illinois Urbana-Champaign
project square footage: approximately 99,000 sf
estimated completion date: Fall of 2012
